The SLS Team attending a Coaching Workshop

PASSION – PRECISION - PERFECTION

SLS is **passionate** towards providing superior products and services to all our market sectors: Profile Cutting, Fabrication, Truck Accessories, Manufacturing, Auto Electrics, Hydraulics, Mechanical, Air Conditioning and Fit-Out.

Our highly efficient, modern workshop, along with our committed team allows us to deliver services second to none. Underpinning our success is our ability to identify clients needs and provide a competitive advantage through our integrated operations. Through the **precise** operation of our three divisional identities: Truck Accessories, Profile Cutting and Fabrication, we can identify complete solutions and ultimately service our customer needs. We aim to bring a high degree of confidence to our customers by offering complete in-house designed and manufactured products.

We take pride in delivering **perfection** in everything that we do and the relationships we develop brings a high level of confidence to our customers, turning them into customers for life.

SLS NEWS – watch this space

Our new monthly newsletter will focus on our valued customers, providing them with special offers, and tips & tricks from our workshop boys.
